

- Protect from erosion caused by FOD, rain and sand
- Reduce maintenance costs
- Prevent dents and delamination
- Protection for leading edges of aircraft

Custom Pre-formed Boots

3M™ Polyurethane Protective Boots provide excellent impact protection for your aircraft, from radomes to navigation light lenses. 3M has more than 500 boots sizes for general aviation, military, transport, cargo planes and commercial aircraft. Boots can also be created to fit your specific need.

	Commercial Application	Product Name	Prod ID	3M ID Number (1 Pack)	3M ID Number (5 Pack)	Color

Important Notice: 3M MAKES NO WARRANTIES, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. User is responsible for determining whether the 3M product is fit for a particular purpose and suitable for user's method of application. Please remember that many factors can affect the use and performance of a 3M product in a particular application. The materials to be bonded with the product, the surface preparation of those materials, the product selected for use, the conditions in which the products is used, and the time and environmental conditions in which the product is expected to perform are among the many factors that can affect the use and performance of a 3M product. Given the variety of factors that can affect the use and performance of a 3M product, some of which are uniquely within the user's knowledge and control, it is essential that the user evaluate the 3M product to determine whether it is fit for a particular purpose and suitable for the user's method of application.

The statements and technical information presented here are based on tests and data which 3M believes to be reliable, but the accuracy or completeness of such statements and technical information is not guaranteed.

Limitation of Remedies and Liability: If the 3M product is proved to be defective, THE EXCLUSIVE REMEDY, AT 3M'S OPTION, SHALL BE TO REFUND THE PURCHASE PRICE OF OR TO REPAIR OR REPLACE THE DEFECTIVE 3M PRODUCT. 3M shall not otherwise be liable for loss or damages, whether direct, indirect, special, incidental, or consequential, regardless of the legal theory asserted, including, but not limited to, contract, negligence, warranty, or strict liability.

These products were manufactured under a 3M quality standard registered under AS9100 standards.
