Extra wide hard jaws used for maximum part contact and penetration. Ground locating surface.

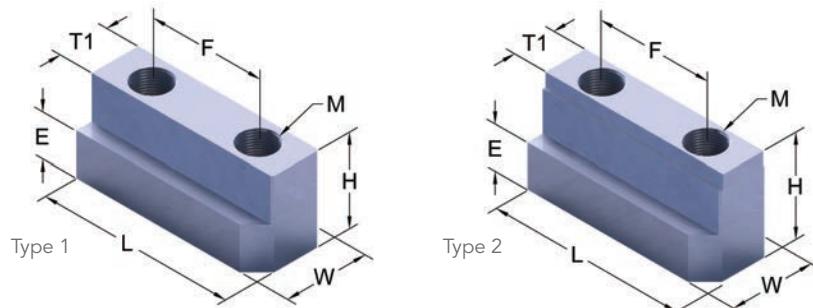

1.5MM x 60° Serrated — HARD JAWS

Made with 1018 case hardened steel.
Hard jaws are reversible for OD & ID chucking.
All hard jaws are available in one or two step sets.
All part #'s listed below are two step sets.

3.0MM x 60° Serrated — HARD JAWS

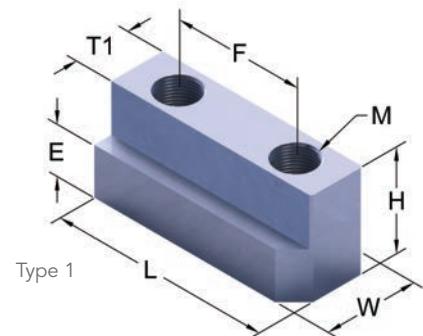

Made with 1018 case hardened steel.

Hard jaws are reversible for OD & ID chucking.
All hard jaws are available in one or two step sets.
All part #'s listed below are two step sets.

Ø Diameter	Part #	L Length	H Height	W Width	B Slot Width	F Bolt Spacing	I Screw Size

1/16 x 90° Serrated — SOFT JAWS

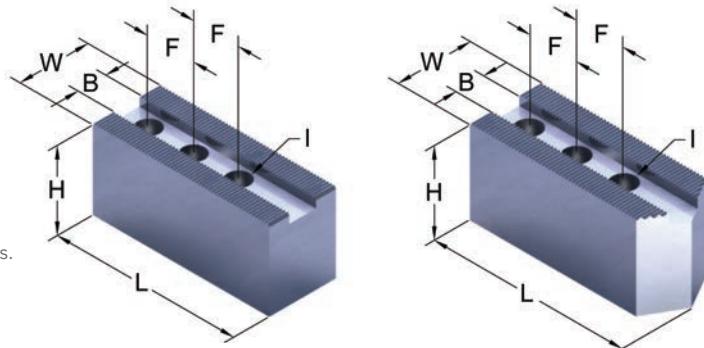

Add "A" to beginning of part number when ordering aluminum jaws.

Add "P" to end of part number when ordering pointed jaws.

Made with 1018 steel or 6061 aluminum.

*Available with 1.5MM x 60° Serrations

**Parts are pointed

Extended length hard jaw built to grip small to medium diameters. Three locating diameters. Combined with the extra hole the jaw allows the machinist flexibility and quick part change over.

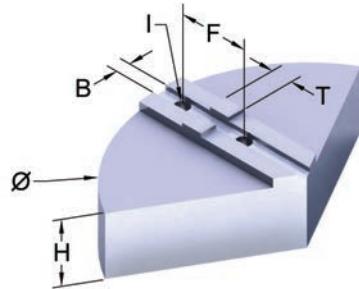

American Standard Tongue & Groove

— HEAVY DUTY FULL GRIPS

Made with 356 cast aluminum.

Add "C" to beginning of part number when ordering cast iron jaws.

Add "S" to beginning of part number when ordering steel jaws.

American Standard

Tongue & Groove

— HEAVY DUTY HARD JAWS

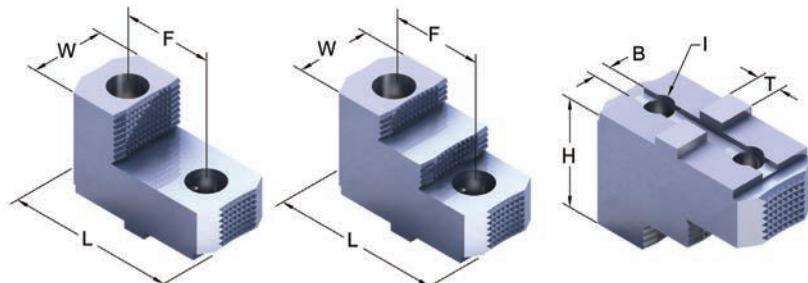

Made with 1018 case hardened steel.

Hard jaws are reversible for OD & ID chucking.

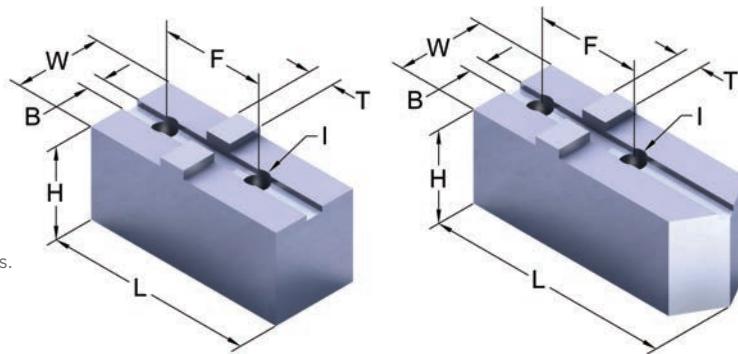

All hard jaws are available in one or two step sets.

All part #'s listed below are two step sets.

All hard jaws available in 3, 4 and 6 jaw sets.

Diameter	Part #	L Length	H Height	W Width	B Slot Width	F Bolt Spacing	T Tongue Width	I Screw Size

Dillon Manufacturing Inc.
2115 Progress Drive, Springfield, OH 45505

RETURN POLICY - RETURNED GOODS POLICY - JULY 2007

1. Dillon Manufacturing, Inc will only accept, for return and credit, current standard catalog items which were purchased within a 60 day period and are in resalable condition.
2. **Restocking Charge.** The standard restocking charge is 15%.
3. **Other Charges.** Goods returned must be new, unused, in their original containers and current as shown in the latest Dillon Manufacturing, Inc. catalog. Charges for updating and/or reconditioning will be deducted from the credit memo issue.
4. **Procedure**
 - 4.1. To return goods, you must contact a Customer Service Representative by telephone at 1-800-428-1133 for a **(RMA)** Returned Material Authorization form. Items may not be accepted without a RMA number.
 - 4.2. Please have the following information:
 - A. Reason you wish to return the goods;
 - B. Quantity and description of the goods;
 - C. Dillon Manufacturing, Inc.'s invoice number for the good being returned.
 - 4.3. The RMA Form can be mailed or faxed, or an RMA number can be given over the phone. The designated copy or number must accompany the items returned.
5. After inspection of the items returned, a credit memo will be issued.
6. All items returned for credit must be shipped prepaid.

REVERSIBLE HARD JAWS

- Available in – Serrated, Acme Key, Square Key, Tongue and Groove styles
- Option of either single or two-step jaws
- Reversible – suitable for OD & ID workholding
- Accurate gripping and locating serrations
- Heat treated and precision ground

Dillon Manufacturing, Inc.

FULL GRIP JAWS

- Available in aluminum – diameter size range from 6-inch to 36-inch
- Jaw heights range: 2-inch, 4-inch, and 6-inch
- Allows for complete gripping of the work piece
- Close tolerances and concentricity easily maintained
- Excellent for gripping fragile works such as thin-walled parts without distortion
- Special oversized jaws available
- Machine and tool life extended due to lighter weight jaws, reducing mechanical stress
- Made in the USA
