Hansen Hex/Torx Tray

Hex/Torx Tray helps automotive technicians instantly find the socket or bit they need. Tray holds 3/8" Drive SAE hex socket sizes 1/8, 9/64, 5/32, 3/16, 7/32, 1/4, 5/16 and 3/8"; Metric sizes 4, 5, 6, 7, 8, 9 and 10mm; and Torx bit sizes 27, 30, 40, 45, 47, 50, 55 and 60.

Tray is molded of tough ABS plastic to resist oil, grease and solvents. Sizes for each of the SAE, Metric and Torx sockets are pad printed in an oil and grease resistant black ink. Special end tangs on the 9-3/16" x 3-1/4" tray provide a finger hold for picking up tray in tight tool boxes. **Part No. 50000**

- Keeps specialized sockets and bits in one place
- Helps technicians keep tool chests organized

Trays designed to help anyone work faster.

Sizes are marked on posts for instant identification

Post height on 1/2" drive trays reduced to fit most tool chests

Tough ABS plastic resists gas, oil and abuse

Edge tangs for easy handling

Post bases are beefed-up to hold sockets more securely

Made In The USA

3/8" drive SAE tray features 15/16" posts for regular and deep well sockets

Special features bring order to workbench chaos and help professionals and DIY mechanics work faster, better. Trays come in SAE and Metric sizes for 1/2", 3/8" and 1/4" drives. Best selling 3/8" drive SAE and Metric trays hold sockets from 1/4" to 1" or from 6mm to 20mm. Trays are molded of rugged ABS plastic to shrug off gas, oil, bumps and hard knocks. Quik-Pik SAE & Metric Wrench Racks

Quik-Pik Wrench Racks organizes wrenches while the clear labeling makes sizes easy to grab and go. Empty slots quickly show which wrenches are missing. Spring tabs in each slot keep wrenches in place. Low profile, fits 2-inch deep toolbox drawers. Molded in carry handle, "Butterfly" type display hook hole molded in. (wrenches not included).

Each tray pad printed with the following wrench sizes:

Part No. 5301

(RED) – SAE: 1/4, 5/16, 3/8, 7/16, 1/2, 9/16, 5/8, 11/16, 3/4, 13/16, 7/8, 15/16 & 1"

Part No. 5302

(GREY) – Metric: 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, 18 & 19mm

Made of tough polypropylene plastic. Lifetime Warranty. Made in USA.

Custom Organize SAE or METRIC Wrenches

Tough polypropylene rack has 13 pairs of wrench slots and comes with two sets of peel-off labels; one in Metric sizes 6mm through 20mm and the other in SAE sizes, 1/8-inch through 1-inch.

Wrench Racks can even be customized by combining Metric and SAE sizes. Spring tabs can also be trimmed to custom fit extra thick wrenches.
