www.pipcanada.ca

DYNAMIC, THE REFERENCED LEADER FOR PPE IN CANADA, IS NOW A PROUD PART OF THE PIP GLOBAL FAMILY

Protective Industrial Products, Inc. (PIP) was initially established in 1984 as a supplier of work gloves. Today we are a global provider of a vast array of consumable personal protective equipment to multiple industries and channels of distribution.

Our Dynamic branded safety equipment are proudly made to meet all the safety regulations and/or standards required in Canada, the United States, Europe and Latin America. These products must be certified by multiple certification bodies such as CSA, ANSI, CE, NIOSH and when permitted, we are proud to display these logos on our products. This ensures that you can place your trust in products that meet the highest possible standards of quality.

PRODUCTS & PROGRAMS THAT SUPPORT YOUR BUSINESS OBJECTIVES

Our manufacturing facilities in Canada are committed to bringing to market products that provide the best possible comfort, fit, and value. But bringing you the best doesn't stop there. Our dedicated team of product managers and specialists have over 100 years of collective experience, ensuring that you receive expert support and enabling you to conduct trainings and risk assessment in the workplace, in addition to

helping your safety committee select the proper PPE. Furthermore, we are continuously developing our website that is second to none, thanks to powerful yet intuitive tools such as our product selector and 3SP™ assessment.

At PIP Canada we strive to design and produce the best PPE in the market, and make sure that all employees arrive home safe and sound everyday.

**BRINGING THE
BEST OF THE WORLD
TO YOU®**

STATE-OF-THE-ART MANUFACTURING PRECISION

As a leading manufacturer of hard hats, we engineer excellence from the ground up. Superior raw materials, robotic assembly, and standards ensure we meet and exceed industry norms.

INNOVATION THAT DELIVERS THE BEST IN COMFORT AND FIT

Innovations like our unique SURE-LOCK ratchet adjustment system ensure proper suspension performance and effortless fit for all head sizes. What's more, it can be adjusted with one hand.

MAXIMUM FORCE ABSORPTION WITHOUT SACRIFICING COMFORT

Our robust yet highly adjustable 4- and 6-point nylon suspension features a plush brow pad and comfortable crown padding. An economical pin-lock system is also available.

Full Graphic Hard Hats

MAKE YOUR HARD HAT PART OF YOUR IMAGE!

If you want to let others know that you are proud to be Canadian, Quebecois, or American... or if you just want to take your personalization to the next level, we are proud to be able to offer full graphic hard hats. For your purchasing convenience we carry in stock the models you see here, so large order quantities are not required. However, we can also make fully personalized graphic hard hats with your company colors and designs in lots of 100 pieces minimum, and at a reasonable cost.

Let us know what you would like, and we will do the artwork and let you approve it. If you are looking for something unique as a gift for your employees or to celebrate the anniversary of the foundation of your company, these hats are the perfect solution!
