

WISE - BENCH - IRON - JVSG SERIES - 6"

Product # 320314 | Model # JVSG-6

- Strongest cast vise on the market
- Massive castings made of superior quality 80,000 PSI tensile strength SG iron for maximum strength and impact resistance
- Spheroidal graphite (SG) iron forms a much stronger molecular structure than regular cast iron
- Up to 30% higher tensile strength than competing ductile iron vises
- Precision machined hardened steel jaws

TECHNICAL SPECIFICATIONS

Max. Opening 7-7/8"

Jaw Width 6"

Throat Depth 3-1/2"
